- Children under the age of 18 are not permitted to participate in adults bingo as it is a soft form of gambling so it is not socially responsible of the Club to allow minors to participate.
- Any person conducting or participating in the conduct of the game cannot participate as a player.

Day session: 11am-11:45am; 12:30pm-1:15pm

Night Session: 7pm-9pm

## **Payment of Prizes**

All prizes are paid as Mittagong RSL Gift Cards or Reward Points.

No cash is paid and cards cannot be exchanged for cash.

The value of the gift card or points awarded for a 'mini game' is \$10.

The value of the card or points awarded for a full game or full house is \$15.

Prize winners are announced and awarded their prize at the completion of each game after a 'call back' of the winning numbers by assigned staff members.

Prize value is split in the case of multiple winners in any one game.

Prizes cannot jackpot.

Prizes are awarded to winners of each game after the call back.

A player must go out on the last number called.

## **Disputes**

The Caller of the game will resolve any dispute.

If a deadlock arises, the Duty Manager will be called to resolve the problem.

If the Caller makes a mistake with the number to be called, or the incorrect number is called, the Caller will immediately recall the correct number. Any number called by mistake will not count towards the completion of that particular game of Club Bingo.
