Prize Schedule and Prize Draw Mechanics:

As part of the 70th Birthday Celebrations, Mittagong RSL Club Ltd will give Club Members a chance to win a share in \$25,000 over a period of five (5) nights. The total number of Club Members that can win is twenty-five (25). The maximum cash amount a Club Member can win is \$1000.

Starting Tuesday 1st July and finishing at close of trade Sunday 3rd August 2025, every time a Financial Club Member spends at the club:

\$20 at Ironstone Dining or Ironstone Café or Tabatinga

\$10 at Ironstone or Main Bars

\$50 at the Bottle shop or Reception

they will gain an entry into the draw.

There is no limit on the number of entries an individual Financial Club Member can earn.

There will be five draws of \$1000 each for five days, being the period of Wednesday 6th August through to Sunday 10th August 2025.

Each morning of the draw days, the barrel will be positioned near Club Reception for entries to be placed into it until 6.55 pm, when the barrel will be closed.

At 7 o'clock in the Main Lounge, the draw will begin.

Entry tickets will be randomly drawn from the entry barrel, one at a time.

With each draw, the Club Member named will have four (4) minutes to present themselves to the prize draw area with their current membership card. If they fail to appear within that time another entry ticket will be drawn from the barrel.

Each draw night there will be five winners, each being given \$1000 cash.

Each Club Member can only win once throughout the entire promotion. The staff member conducting the draw has the right not to read out a name that has already been drawn and who has claimed their prize.

The entry barrel is emptied at the end of each draw night.

Club Members can place any, some, or none of their entries in the barrel on draw days.

Example 1: a Club Member has ten entries. They can only attend Thursday and Saturday night's draw. They place five entries in the barrel on Thursday morning, returning for the draw at 7 pm. If they do not win, they can then place their remaining five entries into the barrel on Saturday morning, returning for the draw at 7 pm.

Example 2: a Club Member has twenty entries. They visit the club daily and put four entries in the barrel each draw day, prior to 6.55 pm.
